High-Energy Hockey Without the Ice

Stick skills, team play, and fast action — no skates needed.

Indoor hockey at Super Base focuses on movement, puck control, and strategy, all without ice or skates. Soft pucks and protective gear keep players safe while learning the fundamentals. Rink-style floor configurations and boundary markers help simulate real-game flow.

What to Expect:

-  Stick handling, passing, shooting
-  Team formations & offensive/defensive play
-  Floor-based games and drills
