Learn, Play & Grow with Super Base Baseball

Fun-focused, skills-driven baseball classes for kids aged 3–15

Step up to the plate and join our weekly indoor baseball sessions! With padded floors, soft-core balls, and a safety-first space, players build skills with confidence and joy. Whether they're brand new or ready to swing for the fences, our program helps every kid feel like an MVP. Superbase's modular indoor facility allows us to reconfigure the space for baseball training with custom setups to optimize movement, team dynamics, and safety.

What to Expect:

Skill-based drills: batting, catching, base running, and more

Cognitive agility games to build coordination and confidence

Fun scrimmages and small-group challenges

Teamwork and sportsmanship at the center of every session
